The edible display of our local food system

at the Sustainability Champion lecture by David Cleveland
(Environmental Studies), UCSB, 2010 October 05 by

John Lazarus of Ucen Dining coordinated an edible display of Santa Barbara County produce, including food prepared by Ucen Dining. Sean Von and the Isla Vista Food Cooperative provided an edible display of local fruits and vegies, and Farmer Direct Produce exhibited towers of SBC fruits and vegies. In addition, the newly formed Student Food Collective provided information on their activities and plans for the future.
