UCSB ADVENTURE ROPES COURSE

GROUP COURSE INFORMATION

We’re glad your group will be joining us for an Adventure Ropes Course experience at UCSB. To get the most out of this opportunity, please give some thought to the following information:

**Course design:** In order to give your group the best possible Ropes adventure experience, we need to get a complete picture of your group’s characteristics, challenges, and goals. We will need to talk with you sometime in the TWO to THREE WEEKS before your scheduled course to get a current group profile. Please call us during business hours at 893-3737. If we do not hear from you, we will plan the course based on the most current information we have. Also, please let us know if there are any changes in the group that might affect our planning. We custom-design every course we do so please help us to give your group the very best.

**Group size changes:** Due to staffing requirements, the fee for your Adventure Ropes Course is based on your estimated group size. If fewer than the anticipated number of people actually participate, our fee does not change. However, if your estimated group size changes before the course date, please give us a call -- we will try to adjust our staffing (and our fee) accordingly.

**Preparation:** It’s important to get adequate rest and a good meal before the Ropes Course. Please do not bring gum to the Course.

**What to wear:** Wear comfortable clothes that allow free movement with minimal bagginess. Dance tights and bicycling shorts or pants work well. Very short shorts may not be comfortable; longer shorts provide better protection. Closed-toe athletic footwear is required: for example, tennis shoes and running shoes -- but no sandals!

**Jewelry:** Jewelry that dangles at all, or that has any sharp edges, may not be worn on the Course. Wristwatches that are strapped on snugly are fine.

**Where to meet:** Meet at the UCSB Ropes room, Robertson Gymnasium -- Room 2120. Enter through the main lobby doors, take the stairs on the left, and go to the big room at the end of the main hall. To find Rob Gym, please refer to the map on the back of this page. The nearest parking is in Lot 21. Busses should drop off and pick up at the bus circle.

**Arrival time:** Each member of your group makes a difference. Please allow enough travel time to arrive at the Course at least five minutes early.

We look forward to adventuring with you!

-The UCSB Ropes Course Staff
