

GENEROUS SCHOLARSHIP FOR ES MAJORS!

APPLY NOW FOR UCSB'S 2020 TOM ROGERS SCHOLARSHIP IN THE ENVIRONMENTAL STUDIES PROGRAM

2020 Award: One or two scholarships, ranging from \$2,500 to \$5,000 each, will be awarded to a current UCSB Environmental Studies or Hydrologic Science major(s) whose past and present efforts best embody the ideals of civic responsibility and environmental stewardship.

The goal of this scholarship is to enable a talented and dedicated student to take on activities (academic or environmental activism) that they would not otherwise be able to.

Application Deadline: Friday, May 8, 2020

Applicant Eligibility: Qualified applicants must be continuing undergraduate students who are declared majors in the Environmental Studies Program and have demonstrated civic, community, educational, and environmental involvement. Applicants should have a minimum overall GPA of 3.0 and must be enrolled at UCSB for at least two quarters after receiving the award. Although financial need will be considered in the selection process, eligibility for financial aid is not required to receive this scholarship.

Applicant Instructions: *(Full application instructions are included on the reverse side)*

Completed applications should be submitted to the Environmental Studies Program in electronic format as a pdf file. For a copy of your current transcript access your grades via GOLD's Academic History and save the page as a .pdf or print, scan, and save it as a .pdf. You may elect to copy and paste it at the end of your application.

Email application as an attachment to emosh@ucsb.edu by or before Friday, May 8th

Award Procedure & Administration of Funds: Scholarship recipient(s) will be determined by a Selection Committee consisting of ES faculty, alumni, and community members. In mid-May, scholarship finalists will be notified and invited to interview with the selection committee. The scholarship recipient(s) selected will be notified in late-May. Recipient(s) may use the award to defray expenses associated with their undergraduate education, such as tuition and fees, living expenses, books, supplies, and special project costs. **NOTE:** Recipient(s) should expect to see 1/3 of their award deposited into their BARC account at the beginning of fall, winter and spring quarter.

Additionally, please be aware that University Policy and federal and state regulations requires the reporting of resources, i.e. monetary awards, students receive if they are financial aid recipients. Adjustments must be made to a student's financial aid package when a resource results in overage of the recipient's financial aid award amount. Please direct any questions regarding your award and how it will affect your financial aid to your Financial Aid Advisor. Prior to graduation a one-page report will be required of the scholarship recipient(s) highlighting their accomplishments and activities since receiving the award.

UCSB Tom Rogers Scholarship Application:

1) On a cover sheet, please include the following:

Name
Perm Number
Current telephone number
E-mail address
Local mailing address
Overall UCSB GPA
Expected quarter and year of graduation

2) Provide the following:

- Current copy of your unofficial UCSB transcript, with notes to explain special courses not clearly identified on the transcript.
- Chronologically list and briefly describe your involvement in past and/or present civic, community, or environmental services or organizations.

3) Please answer the following three questions (limit your answers to 400 words per question)

1. How have your experiences in the civic and/or environmental services influenced your decision to become a major in Environmental Studies or Hydrologic Sciences?
2. How would the scholarship enable you to enhance your education and civic, community, and environmental involvement? What activities would you be able to undertake?
3. How does your proposed work (academic or activism) emulate the values expressed by Tom Rogers and his life?

Questions? Direct all questions regarding this scholarship to Eric Zimmerman in the Environmental Studies Program at zimmerman@es.ucsb.edu or 805/893-3185.

The Tom Rogers Scholarship Fund at UCSB was established in late 1999 to honor Tom Rogers, a role model for civic and environmental leadership. Among the many achievements of Tom Rogers are his service on the Santa Barbara City Council and County Board of Supervisors through 1994. As a civil servant, he voiced and voted for sound environmental planning and progressive policies for long-term community benefits. The Fund provides for annual scholarship(s) to be awarded to students who are majors in the Environmental Studies Program at UCSB. Selection of scholarship recipients is based on their personal efforts that embody the ideals of civic responsibility and environmental stewardship exemplified by Tom Rogers in his career.
